

English

This term we are developing our writing and speaking and listening skills through news reports and advertising as well as exploring some visual literacy; replay.

We will also have sessions revising the main genres of writing and focusing on spelling, grammar and punctuation skills.

Reading is still a priority for this term so please continue to read regularly with your children at home and discuss what you have read together.

Maths

A range of topics, including decimal numbers, ratio and algebra. We will also be covering time, probability and further work on shape and space. We are also focusing on mental maths this term.

I.C.T

Our time in the learning zone will enable the children to spend lots of time revising and preparing for SATS. We will also be collecting, evaluating and presenting information.

History

Emigration and Exploration in the Early 1900s.

Geography

Features of the polar regions.

PSHE

Care of the environment

Design and Technology

It wouldn't be right if we didn't build an igloo! We will need lots of clean milk cartons please!

Frozen Kingdom

Art and Design

Photography;
Painting; Block printing

Science

Living things and their environment; Can we slow down cooling? How can animals keep warm?

Welcome to the planet's coldest lands... vast wilds, hostile territories, incredibly beautiful yet often deadly. Wrap up well, everyone, and settle by the fire. This expedition may take some time...

Music

Soundscapes, Pan pipes music, Music of the Inuit's.

PE

PE will continue to be delivered by our sports coach. Children should ensure they have their PE kit in school **EVERYDAY**. This **MUST** be blue or black shorts, white t-shirt and trainers. Tracksuit bottoms are optional and **NOT** an alternative to shorts. As we continue our transition to secondary schools any child without the correct PE kit will be issued a 'mini detection' at lunchtime.

Y6 Summer 1 Newsletter

Jewellery & Nail Varnish

We have noticed many children (boys and girls) are wearing coloured bands, bracelets, necklaces and chains. Please note that these do not conform to our uniform policy, and as a result, we are asking that you do not allow your child to wear these items to school. Please ensure your child does not wear nail varnish to school.

Well Done!

We can't ask anymore of our Year 6 children, they are working so hard and their efforts aren't going unnoticed. We wanted to take this opportunity to say thank you and well done - keep going - you are nearly there! 😊

Attendance

It is vital especially as we get closer to SATS. Please encourage your child to come to school, even if they are feeling under the weather. It is also important that children arrive at school on time. Please ensure your child is in school by 8.50 am every day.

Mobile 'Phones

Many children are bringing mobile phones into school, and although this is against our school policy, we appreciate that parents wish children to carry one, especially if walking unsupervised to and from school. If your child brings a phone to school, we cannot be held responsible should it be lost, stolen or damaged and we insist that it is kept switched off throughout the day and is placed in the basket until 3pm.

Important dates for your diary:

18/4/2018: Get Up To Speed, engineering visit
24/4/2018: Visit to Crucial Crew
