

Fundraising at Kingfisher Primary

Hi, my name is Aimee Pickering and as part of my role at Kingfisher Primary I coordinate fundraising through event organising and also building positive relationships with local businesses and the local community.

I have a passion for ensuring that the children of Kingfisher are provided with the best possible opportunities during time with us. This may be by way of cookery or dance classes, house point and attendance reward sessions, additional resources to support the creative curriculum that we embrace, to name but a few.

How can you help?

There are many ways in which you can support the children of Kingfisher Primary.

In kind donations:

- Could you provide prizes towards events at Kingfisher?
- Do you have surplus materials that could be used for learning activities and projects at Kingfisher? (Pallets, crates, pipes etc).

Event/project sponsorship

I am currently putting together a series of packages whereby local business will be able to provide sponsorship to Kingfisher Primary. The benefits will vary dependant on the level of sponsorship provided. More details will follow in due course, however, if you would like to express an interest, please email your details to aimee.pickering@astrea-kingfisher.org

THANK YOU!
