

## Literacy

In Literacy we are learning about food banks. We will be looking at different facts linked to food banks and healthy eating.

We will also be exploring the use of persuasion and thinking about how we can use this in our writing.

## Y2's TOPIC - Healthy Eating and Food Banks

## Maths

This half term we will be mastering:

- Multiplication and division
- Problem solving
- Times tables
- Reasoning and variation

## Science

This half term we are learning all about plants. We will be exploring our school grounds, observing what plant life we have. We will be learning what plants need to be healthy, thinking about how this is similar and different to us. We will also be completing a life cycle of a plant.

## PE

Please ensure that children are dressed appropriately for when we have PE outside.

### PE Days:

Class 5 – Wednesday and Friday  
Class 6 – Wednesday

## Art/DI

This half term we will be continuing learning about the artist Giuseppe Arcimboldo. We will be making portraits using everyday objects e.g. fruit.

## Geography

We will be looking at and comparing different countries on the global issue world hunger.
