Autumn 2 Term 2020

Communication and Language

This half term we will be having a curiosity box in Nursery to provoke communication and language between the children. Inside will be objects that the children will be able to look at, wonder about and have conversations and discussions about what is inside.

Physical Development

The children are becoming more independent now with putting on their own coats. We are enjoying our dough disco sessions and all the activity sessions that we do such as wake up shake up and cosmic yoga.

Personal, Social & Emotional Development

Adults are supporting children every day with turn taking and using simple language to share with their friends in Nursery. Some children are beginning to share independently.

Literacy

We will be learning a story this half term through our talk for writing process. We will incorporate spoken words, actions and simple hand drawn pictures, that build up to make the whole story which the children will be able to memorise and read by themselves.

Maths

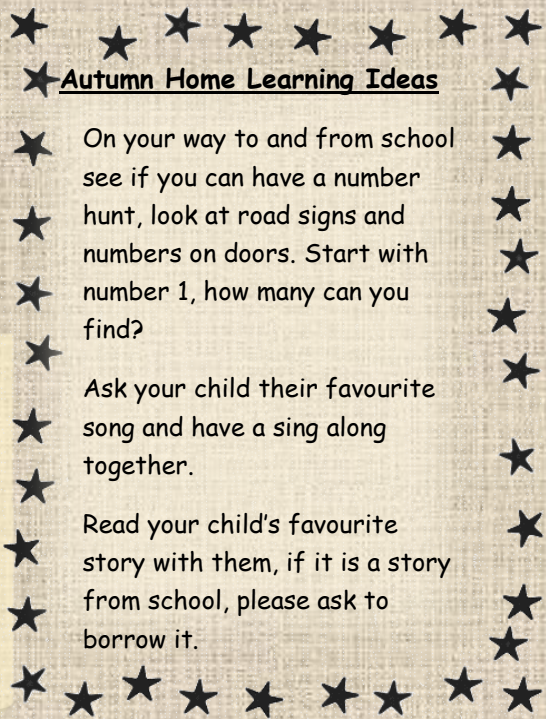

We have been learning about shape by looking at different ways of using shapes to make pictures. We will also start to learn one number per week to help us to recognise numbers.

Expressive Arts & Design

We will be making our Christmas cards this half term, we will be practising our Christmas songs so that we can tell the story of the Nativity. These will be made into a DVD that can be purchased from school.

If you have any queries or questions at all, please email, send a message through the app or post a note in the letter box and we will reply to you as soon as possible. Thank you for your continued support, The Foundation Stage 1 Team.

★ Autumn Home Learning Ideas ★

★ On your way to and from school see if you can have a number hunt, look at road signs and numbers on doors. Start with number 1, how many can you find?

★ Ask your child their favourite song and have a sing along together.

★ Read your child's favourite story with them, if it is a story from school, please ask to borrow it.

★ Understanding of the World ★

This half term we will be starting to do Forest School sessions, we will send out a text to remind you when these will happen, please ensure you are sending your children with warm coats, wellies, hats and scarves. This half term we will begin to learn about the season of Autumn, we will celebrate Halloween, Bonfire Night and begin to learn the story of Christmas.
