

Welcome to Kingfisher Primary's...

Virtual Christmas Fair 2020

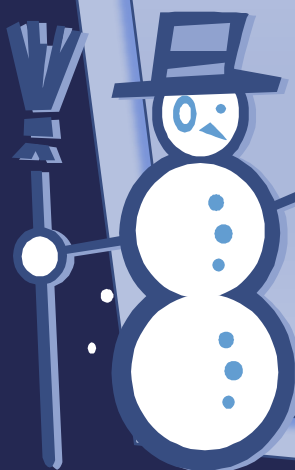

Although things are a little different this year, we still want families to have the opportunity to get into the Christmas spirit with us.

This brochure has handmade items for sale from each year group at Kingfisher and also the opportunity to make purchases from others in the local community.

Each page will tell you whether you need to order via ParentPay* or order directly with the small business.

We thank you for your support in making this event a huge success.

***ParentPay orders will all be made to order and dispatched via the children on Friday 27th November.**
