

Dear Families,

Below is an outline of the remote learning available for our reception children.

Literacy

There is planning for the first two weeks that uses links to Oak academy as well as how we teach in school. There are ten sessions for you to complete with your child that can be completed, one a day at a time that suits your family.

Maths

There is planning for the first two weeks that uses links to Oak academy as well as links to songs, videos and activities. There are ten sessions for you to complete with your child that can be completed, one a day at a time that suits your family.

Wider Curriculum

Use the blockbuster to choose activities from the different areas of learning in reception.

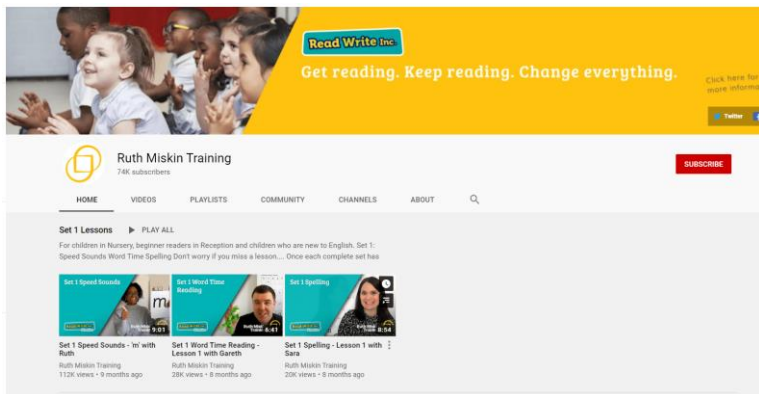

Teams

Each day we look forward to seeing you on teams from 2.30-3.00. In this time we will have a catch up, do some counting, sing counting songs, and read a story. We will also use this session to think about our phonics sounds that help us with reading and writing.

To make the most of the Teams session , it will be really beneficial for your child to have practised the focus sound by accessing some pre-recorded phonics lessons.

These free lessons are available on YouTube on the link: [Ruth Miskin Training - YouTube](#)

Reception will be focussing on the Set 1 sounds and there are three short lessons for them to watch and join in with: Speed sounds, Word time and then spelling. The page looks similar to below:

Each day the video available will change to a new focus sound. It will be available from 9.30am for 24 hours, Monday to Friday.

For example this is the plan for the week beginning 11th January:

Monday 11th January	Set 1 - t
Tuesday 12th January	Set 1 – i
Wednesday 13th January	Set 1 – n
Thursday 14th January	Set 1 – p
Friday 15th January	Set 1 – g

In our Teams session we would also love to hear about the game and activities your child has been enjoying at home.

Many thanks,

The Reception Team.
