## Kingfisher Comfies Reading Day

The children had a great time on our last day of this half term, having a 'Comfies Reading Day'. They enjoyed reading books and sharing stories and ideas, as well as having a drink and snack too.

Thank you to all our families who took part in this event, we raised £81 in total.

Thank-you!

This half term we will be focusing on the next steps for your child's learning so being in school is crucial to ensure they can focus on the key aspects of learning which will support them as they move into the Spring Term.

Being in school is important at any time, but especially this year as we have planned our curriculum approach to support the areas of learning which have been impacted on over the last two years of disruption. The plans will help to address any areas of learning that may not have been covered in previous years as well as the curriculum for the current year.

### Summer Events...put it in your diary!

We are really looking forward to a number of events in the summer term. Some of these will be for the children in school, but a number will be for all our families.

We have the annual Summer Fayre on Wednesday 29th June in the afternoon. More details will come out nearer the time regarding timings and the good we will have on sale. Let's hope for fine weather as everything will be outside, whatever the weather, it will just be great to have our families back in school in person at the Summer fayre rather than putting your orders in remotely.

Coralie Turpin, our summer artist in residence, will be working with the children for two weeks at the end of June to create a Kingfisher Mosaic for the main school entrance. We hope that you will want to come and see the mosaic being developed and even add pieces to the mosaic to create the final piece.

Finally, I have included the dates for our up and coming Sports days which will all be in school. Timings will be shared with families after the half term holiday
