Kingfisher Primary Letter No. 12

Friday 24th June 2022

Year 6 Residential at Walesby

Each year, the Year 6s have a residential trip where they learn vital life skills, explore different places and are encouraged to be independent. However, for the last two years that has not been possible, so it is great to see this year just how much our fantastic Y6 children are enjoying their experience.

Following receiving your child's end of year report you will have the opportunity to speak to your child's class teacher.

Year 3	93.9%
Year 4	94.1%
Year 5	93.1%
Year 6	94.7%

This half term we will be focusing on the next steps for your child's learning so being in school is crucial to ensure they can focus on the key aspects of learning which will support them as they move into the Spring Term.

Being in school is important at any time, but especially this year as we have planned our curriculum approach to support the areas of learning which have been impacted on over the last two years of disruption. The plans will help to address any areas of learning that may not have been covered in previous years as well as the curriculum for the current year.

Summer Events...put it in your diary!

On Tuesday 5th July we will be sending home your child's end of term year report. This will outline how your child has achieved and the progress they have made. I am sure you will feel proud when you read them, I know I have as I have read their reports, despite another challenging year your children have worked so hard, and have shown huge resilience in their learning. So, ahead of you receiving their reports I would just like to say a huge thank you for supporting your children to achieve all they have.

Included with the reports will be your child's attendance certificate and the name of their class teacher from September 2022.

All children will have the opportunity to spend a day with their new class teacher in the classroom they will be in from September. This will happen on Wednesday 6th July, a letter included with the end of year reports will explain how this day will work.

Finally, there will be an opportunity in the final weeks of this term to speak with your child's current class teacher, once you have received your reports, this will be a telephone call at a time which you agree with your child's class teacher. You will receive a letter in the next few weeks for you to book this. Please see above for the dates when class teachers will be available to speak with you.
