

Literacy

In Literacy we will be developing a range of different skills, through recounts, adventure story writing and continuing with our Extreme Weather Bear Grylls writing.

Year 2 Summer 2

Science

This half term, the children will be continuing with materials. The children will understand how materials are used for different purposes. The children will carry out an experiment on 'which material is the best for waterproof.'

Maths

This half term we will be developing our understanding on position and direction, measures including length/height, mass, capacity and temperature before moving on to statistics.

PE

This half term we will be completing flex dance.

PE Day – Wednesday Mornings

Please send children with their kit on a Monday and it can remain in school until Friday in case an additional PE session is added.

History/Geography

In History, we will be continuing our learning and researching about the Royal Family. We will look at the British Monarchs from 1901 to present.

In Geography, we will be continuing our learning about the equator, the northern and southern hemisphere and how weather is affected close to these.

Extreme Weather

Spellings/Home

learning – Spellings and reading books will be sent home weekly. Please could you practise reading and spellings with your child as often as possible- Thank you.

Reading

Please read at home as much as you can to develop the children's love of reading. Books can be returned daily if your child has read. They will be asked questions about their book by an adult in school to consolidate their reading.

Art/DI

In Art, we will be continuing to focus on skills. We will be using watercolours to create a weather painting. We will also explore the use of dip dye and printing to create different artwork.

ICT –

Over this half term the children will be learning skills for effective searching when researching.
