

Literacy

In Literacy we will be developing our subordinating and coordinating conjunctions skills. We will be reading the book 'Pirates next door'.

Year 2 Summer 1

Science

This half term, the children will be looking at living things and their habitats. We will also be learning about plants.

Maths

This half term we will be developing our understanding of the fundamentals of Multiplication and Division to build into further areas to solve problems.

PE

This half term we will be learning all about invasion games.

PE Day – Thursday Morning

Please send children with their kit on a Monday and it can remain in school until Friday in case an additional PE session is added.

History/Geography

In History, we will be learning and researching about Tudor England and comparing the differences between Tudor England and England today.

In Geography, we will be learning about climates around the world, in terms of climates and weather types. We will then be able to answer how people have adapted to their climate and why this is important.

Weather Patterns

Spellings/Home

learning – Spellings and reading books will be sent home weekly. Please could you practise reading and spellings with your child as often as possible- Thank you.

Reading

Please read at home as much as you can to develop the children's love of reading. Books can be returned daily if your child has read. They will be asked questions about their book by an adult in school to consolidate their reading.

ICT –

Over this half term the children will be recapping their previous ICT skills.

Art/DT

In Art, we will be focusing on the skills. We will be using watercolours to create a weather painting. We will also explore gradient art.
